Packaging dimension (De)	940
Packaging dimension (He)	860
External size (Wi)	590
External size (De)	950
External size (Hi)	1140
Gross weight (kg)	202
Voltage (V/Hz)	400/50
Power (W)	2750
Volume (l)	81
Net weight (kg)	192

PRODUCT DESCRIPTION

SIGMA Silver 60 HD spiral dough kneader is available with two motors. One motor moves the spiral dough, and the other one moves the cauldron. The cauldron is made of stainless steel, with a maximum of 35 kg of flour and a minimum of 21 liters of liquid available. It can be used with an electromechanical control panel with a large electrical reserve and two timers. The timer on the left controls speed 1, the timer on the right and speed 2.
