PRODUCT DESCRIPTION

Reliability and simplicity are the two distinguishing assets behind the BASIC Line from Univerbar. The products from this collection have been developed to guarantee the most user-friendly experience to our clients, and also to installers and maintenance providers, who can perform quick service on all parts of the machine. Products from the BASIC line guarantee the highest quality in dishwashing and since they have only two operating buttons, they are the easiest-to-use dishwashers on the market. The essential parts of the machines are made in stainless steel, particularly those inside the washing compartment. Products from the BASIC range stand out for exceptional internal components featuring: heat-resistant cables, adjustable thermostats with set temperature indicator and electronic timers that can regulate machine functions.
