Packaging dimension (He)	1100
External size (Wi)	570
External size (De)	720
External size (Hi)	770
Gross weight (kg)	110
Power (W)	550
Net weight (kg)	

PRODUCT DESCRIPTION

SIGMA Sprizza 40 - Cold system pizza spinner is really easy and practical to use and the portions of dough are always perfectly flattened. The machine is the perfect choice for making a 40 cm pizza. The original protected microrolling system, rigorously patented, results from a happy original intuition which was developed and achieved in order to knead the dough in the same way as the hands of an expert would.

Characteristics: Cold system for spreading the pizza dough Patented micro-rolling system Adjustable pizza thickness Automatic start and stop Capacity production 200 - 250 pcs/hr ETL and EAC certification
